

FIRE HYDRANT FLUSHING

Wednesday May 6, 2020 and Thursday May 7, 2020

The Lewes BPW will be flushing fire hydrants on Wednesday May 6, 2020 on the town side beginning at 5:00 am Thursday May 7, 2020 on the beach side beginning at 5:00 am. Water pressure may be low. You may experience discolored water. If you should have discolored water, please let your cold water run for a few minutes until it clears. Refrain from using automatic washers and dishwashers while we are in your area. We urge you to note these dates on your calendar.
